Leeds Honors Program

- Rigorous academic experience for the highest achieving incoming students (top 10%)

EDUCATIONAL PROJECTS

Business Strategy Simulation - “Bike to the Future”

April 2025

- Achieved #1 overall out of 30 teams (~160 students) in a competitive business simulation through a combination of financial performance, investment and portfolio strategy, and market execution.
- Optimized resource allocation, workflows, and team coordination by selecting store locations and timing based on target markets and scaling equipment faster than competitors, driving \$9.8M revenue and \$5.2M profit in the final quarter.
- Delivered reports and presentations on performance metrics, operational improvements, and strategic recommendations.

Financial Strategy and Cash Flow Optimization for DispatchHealth

February 2025

- Built financial statements and conducted cash flow forecasting to evaluate liquidity and long-term financial health.
- Performed sensitivity testing on salaries, benefits, and receivables to provide decision support for operational planning.

Market Expansion and Financial Viability Analysis for Justin’s Nut Butter

January 2025

- Conducted financial modeling using NPV, IRR, and payback analysis to evaluate new product opportunities.
- Provided an investment recommendation to pursue nut-based chips, supported by the highest NPV among options and a strong IRR, demonstrating profitability and market growth potential.

Coding Practice Tool | JavaScript, Node.js, GraphQL

October 2024

- Developed a tool to streamline workflows by integrating with the LeetCode API to access 1,447 coding problems.
- Automated repetitive processes by filtering problems and enabling custom selection criteria to improve productivity.

EXPERIENCE

Crumbl, Westminster, CO, *Team Member*

May 2025-Present

- Work in a fast-paced environment, collaborating with a team to meet production targets while maintaining quality standards.

UberEATS, Boulder, CO, *Delivery Driver*

May 2024-May 2025

- Completed 400 deliveries with 100% on-time performance, demonstrating reliability, efficiency, and strong client service.

Pacific Sotheby’s International Realty, San Diego, CA

January 2023-August 2023

Real Estate Assistant to Sue Otto-Calkins

- Supported operations by staging homes, managing property listings, and ensuring accuracy of client-facing materials.
- Coordinated events and client interactions to enhance service delivery and strengthen stakeholder relationships.

LEADERSHIP

CU Game Development & Graphics Club, Boulder, CO

May 2025-Present

Vice President (Member since Fall 2023)

- Lead weekly meetings with up to 30 members and coordinate events to ensure effective collaboration and project execution.
- Prepare financial reports and forecasts in Excel to support planning and resource allocation, enabling data-driven decision-making and long-term club growth.

Treasurer

September 2024-May 2025

- Secured \$3,000 in university funding by preparing the club’s first large-scale budget proposal, which included cost breakdowns for travel, lodging, registration, and meals to attend a national conference.
- Created a repeatable financial planning framework that streamlined future event budgeting and enabled successful execution of large-scale trips and competitions.

CU Photography Club, Boulder, CO

January 2024-May 2025

Event Coordinator (Member since Fall 2023)

- Orchestrated day and overnight excursions, including a trip for 16 members to Great Sand Dunes National Park and Preserve, managing logistics such as travel, lodging accommodations, and itinerary planning.
